TRAP RANGE RULES

Approved by general membership, meeting of September 4th, 2013

1. Each trap round for an individual will consist of 25 clay birds.
2. Cost of each trap round will be determined by the Trap Committee at the beginning of the trap season and will be announced at a Regular Club Meeting.
3. Members using trap on their own shall keep score sheets and return them with money to the Trap Committee at a Regular Meeting.
4. Shells may be purchased from the Trap Committee.
5. Members have trap preference at all times. Junior Members, wives and children must be under direct supervision of a Regular Member at all times.
6. Shootings hours are from 10:00 A.M. till ½ hour before Sunset.
7. Members will NOT adjust trap unless authorized by the Trap Committee.
8. Guns will be discharged only in pursuit of clay birds from the firing line. Guns on the firing line will be unloaded and pointed down range at all times. Individuals will load one shell only when it is their turn to shoot except when shooting doubles. Entire squad will remain on the firing line until last person has finished.
9. Trap Committee can at any time suspend anyone from the trap range when in their opinion the individual is not conducting themselves in an orderly or safe fashion. Members will regard the judgment as final.
10. The Trap Committee will keep on hand at the clubhouse, 10 cases of clay birds. Upon one weeks' notice, the committee will supply a larger quantity if desired.
11. The Trap shall be set according to A.T.A. regulations.
12. Non-members may shoot on our trap range only when accompanied by a current club member. The fee for a non-member is the same fee structure as a Regular Member.
13. All clay birds released from the trap and retrieved unbroken shall belong to our club.
14. Anyone using the trap shall sign the Log Book.
